S.B. No. 321—Beall.

An act relating to taxation.

**Legislative Counsel's Digest of Assembly Amendments**

SB 321, as it passed the Senate, for the 2015–16 fiscal year and each fiscal year thereafter, required the State Board of Equalization, on or before July 1, 2015, or March 1 of the fiscal year immediately preceding the applicable fiscal year, as specified, to adjust the motor vehicle fuel tax rate imposed pursuant to the Motor Vehicle Fuel Tax Law in a manner as to generate an amount of revenue equal to the amount of revenue loss attributable to a specified sales and use tax exemption on motor vehicle fuel based on estimates made by the board that reflect the combined average of the actual fuel price over the previous 4 fiscal years and the estimated fuel price for the current fiscal year, as specified. SB 321, as it passed the Senate, authorized the board, if due to specified economic changes the board makes a determination that the amount of revenue being generated by the motor vehicle fuel tax will be significantly different than those estimates made by the board, to adjust the rate more frequently than annually, but no more frequently than every 6 months in order to reduce the potential volatility of the revenues.

The Assembly amendments instead require the board to make the above-referenced adjustment to the motor vehicle fuel tax rate on March 1 of the fiscal year immediately preceding the applicable fiscal year for the 2016–17 fiscal year and each year thereafter. The Assembly amendments also delete the provision authorizing the board to adjust that rate more frequently than annually.

S.B. No. 838—Committee on Budget and Fiscal Review.

An act relating to transportation, and making an appropriation therefor, to take effect immediately, bill related to the budget.

**Legislative Counsel's Digest of Assembly Amendments**

Senate Bill 838, as it passed the Senate, expressed the intent of the Legislature to enact statutory changes relating to the Budget Act of 2016.

The Assembly amendments, among other changes delete those statements of intent and instead, provide that specified revenues received by the state from designated tribal compacts are required to be remitted to the California Gambling Control Commission for deposit in the General Fund. The Assembly amendments also require the Controller to calculate and publish the allocation of specified funds for transportation development for the 2015–16, 2016–17, and 2017–18 fiscal years, as specified. The Assembly amendments require the Department of Motor Vehicles to pilot and evaluate a process to register voters pursuant to the California New Motor Voter Program to assist persons who do not fully complete the voter registration process and require the department to report on October 15, 2016, to the Joint Legislative Budget Committee, on the outcome of the pilot process. The Assembly amendments also require the department to notify the Joint Legislative Budget Committee by September 1, 2016, if it is unable to implement the pilot process for any reason and appropriate the sum of \$3,888,000 from the General Fund to the Department of Motor Vehicles to implement the California New Motor Voter Program.

The Assembly amendments implement changes increasing specified registration fees for vehicles and trailers, make changes relating to the issuance or renewal of driver's licenses and identification cards, and make changes relating to carrier identification numbers for motor carriers.

The Assembly amendments additionally require that a county sheriff be holding office in order to be authorized to solemnize a marriage, but delete the requirement that a county sheriff obtain and review all available instructions for marriage solemnization before first solemnizing a marriage. The amendments also delete an existing requirement that county supervisors, city clerks, and elected mayors obtain and review all available instructions for marriage solemnization before first solemnizing a marriage.

SB 1087, as it passed the Senate, authorized a custodian of business records to comply with a search warrant for business records by delivering by mail or otherwise a true, legible, and durable copy of the business records to the law enforcement agency if the search warrant provides for compliance in that manner, and required that the search warrant be served in connection with an action or investigation in which the business is neither a party nor the place where any cause of action is alleged to have arisen.

The Assembly amendments continue to authorize a custodian of business records to comply with a search warrant in the manner described above but instead require the search warrant to be served in compliance with a specified search warrant provision, and require that the search warrant relate to a criminal investigation in which the business is neither a party nor the place where any crime is alleged to have occurred.
